

Keep hygiene no worry
about periods....

Established in the year 2016, "M.D. Hygiene Private Limited" is one of the leading names betrothed in the manufacturing and wholesaling of Sanitary Napkins, Baby diaper and Adult diaper. The complete collection is specifically designed and developed using supreme quality material and contemporary technology; these are manufactured with high precision in order to meet the set quality norms and standards. Offered products are widely recommended amongst our patrons for their exceptional features such as low maintenance, precise design, cost-effective, perfect finish, durability, light weight and sturdiness.

We have an innovative infrastructural unit that spread over an enormous area of land. We have segregated our infrastructure facility into many units such as sales & marketing, procuring, quality analyse, etc., in order to execute the entire business operation in a successful and smooth manner. Our vendor's manufacturing unit is well-installed with the contemporary machinery and state-of-the-art technology that assist us in meeting the urgent and bulk orders of customers within the promised frame of time.

Under the proficient guidance of our mentor Mr. Naresh Patel (Director), we have been able to meet the detailed demands of patrons in the most efficient way. His sharp business insight and rich industrial understanding assisted us to become a distinguished name in the industry.
